EXECUTIVE COMMITTEE/COUNCIL OF COMMITTEE CHAIRS

February 25, 1981

The Executive Committee and Council of Committee Chairs began its regular meeting at 3:16 p.m. in the Executive Room of the Garrett Conference Center on February 25, 1981. The following members were in attendance: J. Glaser, C. Wells, D. Bailey, M. Crisp, J. Powell, P. Jones, D. Wicklander, and R. Roberts.

An article that was printed in the Herald, reference the impact the upcoming faculty evaluations would have on salaries, was thought to be misleading and a letter to the editor might be appropriate. It was also decided that clarification of the use of these evaluations should be asked for from Dr. Davis. This request will be brought up as new business at the next Senate meeting.

Don Bailey informed the group that President Zacharias met with the Committee on Higher Education in Kentucky's Future and that similar meetings are forthcoming which will involve various faculty members. The Council of Committee Chairs members adjourned at 3:58 p.m.

The Executive Committee discussed the revised promotion policy and it was concluded that clarification of the qualifications for Associate Professor rank was needed. This clarification will be presented at the next Senate meeting. The meeting adjourned at 5:05 p.m.
